

What is Teen Peer Support Group?

Teen Peer Support Group is open to adolescent youth between the ages of 13-18. Youth Peer Advocates facilitate this strength-based and recovery centered group to give youth the opportunity to connect with their peers, validate each others' experiences, and discuss management of mental health. The group offers a safe place for youth to receive support as well as to celebrate accomplishments and practice self-care skills.

Child & Family Support Program
is a program of Mental Health Advocates of WNY
